I got no further than outside the front door, where I encountered these 6 different types of moths taking naps on the wall of the cabin.

This led me to a bit of thinking about what a photo really is.

Don't know if you've heard of the technique of sitting your camera on top of a bag or rice or beans to steady it when you are low to the ground.

A perfect idea for photos, I thought.

I'll be back.

My daughter and I went out shooting in downtown Blue Ridge Ga at sunset -- she's getting into photography and that makes me excited.

I was inside and the Katydid jumped onto a glass door, hence the good underbelly shot.

Extension tubes allow your camera and lens to come closer to an object.
