I was a bit of a purist with good reason -- still trying to learn how to use that tool called a camera.

(This is Jenna's, but I cropped and photoshopped this one a bit -- I couldn't let her have all the fun!) And as for me actually taking photos this year, I have.

I used a small 10" hand-held reflector, but a sheet of paper would work perfectly too.

I used a 28-135mm zoom lens.
