I've simply broadened the set of tools I have to bring to the table to make (and not take) a photo. We didn't have any rice or beans handy, so I just stuck some macaroni into a Ziploc bag. A bit of cool weather and they were all happy to spring to life. comments Labels: career, commercial photography, flash, mentor, ppsop, strobist Monday, November 22, 2010 Winter View

Overall she had some really great shots for her first sunset shoot -- she has a much better eye than I do (that's why I'm taking the PPSOP class, so I can catch up to her!!).

Or, you can spend only about \$100 and get some Kenko Extension Tubes, and they will work with any lens in your bag.

His suggestion was to take the tutorial and breath some new life into old photos, so I did.
