Great all purpose lens for this type of photography.

View this post with Links and Comments Posted by Brad Wiederholt at 10:18 PM 0 comments Labels: conceptual, photo, studio Negative Space I'm trying to learn about negative space this week.

I did this one.

Did a bit of research on the web, here's what I discovered and practiced when I started out to the yard.

2010 How to Get Started Photographing Mushrooms We went to the cabin this weekend, and

Labels: hand, leaves, studio, white Friday, October 22, 2010 Luminosity Masking Fellow named Tony Kuyper The Rod And Cone skip to main | skip to sidebar The Rod And Cone One man's race to become a world-class studio photographer before his wife finds out how much money he has spent.

My thinking and skills have changed since then, and I need to rewrite this statement soon.

Here are some of the better (and some of the more experimental) results.
