These photos were all taken by Jenna.

Again, DOF was an issue with these macros, and handholding both the camera and the flash made it all a bit uncertain.

It's a fantastic trick.

Don't think I had the maturity or experience back in to understand this (and I certainly don't have it all now, just more of it).

Shot with a 70-200mm lens and a full set of Kenko extension tubes -- Was within about an inch for these shots. Which brings me to a recheck of my 'rules'.

Really helps with fill light.

Unpacked the bags and went and looked some more, and it turns out there were all sorts of these fungi growing around -- they just started popping into my sight the more I looked and walked around.
