Labels: hand, leaves, studio, white Friday, October 22, 2010 Luminosity Masking Fellow named Tony Kuyper Here are some of the better (and some of the more experimental) results.

Did a bit of research on the web, here's what I discovered and practiced when I started out to the yard.

Plastic bottle and some extension tubes.

conceptual, photo, studio Negative Space I'm trying to learn about negative space this week.

Portable flash and controller.

comments Labels: luminosity, masks, photo, photography, photoshop Sunday, September 19, 2010 High Pass Filter and

The advantage of luminosity masking is that it targets certain parts of the the image based on level of brightness, not specific geometry -- so you are adjusting things along a new type of dimension.

Great all purpose lens for this type of photography.

I did this one.
