We aspiration be complacent if you go in advance sand again.

Saturday, May 21, 2011 Cabin Moths Was going out shooting this morning.

For me, the change started with me putting in a darkroom at home and seeing what can be physically done to photos during the process.

Did you notice the lack of tripod above? You don't need one.

the first thing I noticed was that I had few mushrooms growing in front of

I've been away too long.

Anyone want to join me in either one? ----- Recent news.

Handheld flash, extension tubes.

I didn't use a macro lens because of the next item.

Photoshop One of my old PPSOP instructors, Pete Saloutos, had taught me a bit about

I'm not quite sure that I get all the subtleties just yet, but here's a crack a few NS photos.
