We aspiration be complacent if you go in advance sand again.

Another advantage is that you also get some good feathering in your masks and don't get a bunch of hard edges when you make adjustments.

I think it's required.

This was taken with pretty much the same setup as the mushrooms in last post.

One day I'll figure out a decent reason to project old stuff onto new.

Also, going to the Flash Bus show with David Hobby (Strobist) and Joe McNalley as it rolls thru Atlanta in a couple of weeks.
