composition, negative space, photo Sunday, March 27, 2011 Highland Bulls Was out shooting on a cloudy day, came across these fellows.

I got no further than outside the front door, where I encountered these 6 different types of moths taking naps on the wall of the cabin.

This led me to a bit of thinking about what a photo really is.

I was able to hand-carry / pocket-carry the following: Camera and memory cards.

Don't know if you've heard of the technique of sitting your camera on top of a bag or rice or beans to steady it when you are low to the ground.

Dave Nightingale over at Chromasia.
