conceptual, photo, studio Negative Space I'm trying to learn about negative space this week.

comments Labels: luminosity, masks, photo, photography, photoshop Sunday, September 19, 2010 High Pass Filter and

Great all purpose lens for this type of photography.

Portable flash and controller.

The advantage of luminosity masking is that it targets certain parts of the the image based on level of brightness, not specific geometry -- so you are adjusting things along a new type of dimension.

I did this one.
